Dolley Manager Of Local Team; To Auburn Sun.

Roseville Drops Locals Under the Lights 14 to 2

At a meeting of the Truckee-Tahoe Baseball Club held Friday evening at the home of Director Larry Baxter, Baxter asked to be relieved as manager of the club and N. F. (Tom) Dolley was chosen to succeed him.

Baxter, who plays in the outfield, said he wanted to devote his efforts to playing and in order to give this his best work, felt that someone else should manage. Dolley, who has been in charge of the field and will continue this work, will also manage the team and serve as a director.

John Rau, who in the past three years has devoted a lot of time and energy to baseball in Truckee, was signed up at the meeting as coach.

Dolley said that the next two Saturdays will be spent in getting the playing field in shape for the summer. He proposes to enlarge right field and will smooth the infield and outfield as well as repair and paint the stands and buildings. Anyone wishing to aid—especially carpenters, painters and laborers—are asked to contact Dolley. Equipment and operators are also needed to put the field in top condition.

The first home game of the Placer-Nevada League series will be May 14 when Folsom comes here.

Since there are also some necessary expenditures, Dolley said, a canvass will be made to raise sufficient cash to do the required work.

The Truckee-Tahoe Mountaineers had another bad time Saturday night and lost to the Roseville club of the Placer Nevada League by a score of 14 to 2 at Roseville.

The Roseville batters chalked up 10 runs in first two innings, during which time they batted twice around the order. It took the combined efforts of Pitchers Crockett, Kielhofer and Giovannoni to finally stop the landslide.

The game demonstrated the necessity of early spring training, something the locals were without because of weather conditions. Fans, however, see in the local team a lot of fight and determination which is expected to result in a different tune in scores as the season advances. The game was played under lights, another handicap for the local boys.

Eddie Ulsheimer led at the bat for the Truckee Tahoe delegation, collecting a double and a single in four times up. He also scored one of the local runs, the other coming from Larry Baxter.

Next Sunday Truckee travels to Auburn for a game.

Pre-School Round Up Scheduled During May

James Welsh, principal of the Truckee Elementary School, today announced a pre-school round-up for youngsters who will enter the first grade next semester and their parents will be held at the school at 1 o'clock Monday, May 22nd. The program is sponsored by the school and the PTA and will include dental and health examinations and registration.

Son Arrives Saturday At Reno For Cardinals

Mr. and Mrs. Heslin Cardinal greeted their second child, a boy, on Saturday, April 22, at Reno. William Ralph, as the child was named, weighed 7 pounds and 11 ounces and he arrived home with his mother yesterday.

Major from Denver—

Major Colin Campbell of Denver, Colorado, is enjoying a two weeks visit with his mother, Mrs. Eliza Campbell.

Candidate Here—

Wayne Brown, candidate for sheriff, was a visitor here Friday.

Fishing Prospect Good As Lakes Open Saturday

Good Catches of Kokanee Are Expected At Donner

Anglers will head for the lakes in this area which open to trout fishing one hour before sunrise Saturday, April 29, and will find their prospects generally good.

So say the wardens of the division of fish and game in their annual advance roundup of expected conditions for the early trout fishing season. But with the practiced restraint of veteran fishermen, they agree that weather conditions may change the outlook before "T Day" sets in.

The early season opening includes Tahoe, Donner, Boca, Pillsbury, Almanor, Butt and Bucks lakes. Trout fishing begins May 27 in the remainder of the district. Annual stream closures will prevent fishing in additional waters throughout the year.

By counties, wardens viewed the April 29 prospects as follows:

NEVADA— Good to fair in those lakes opened. Look for good kokanee salmon fishing in Donner Lake.

PLACER— Good. Fishing only in Lake Tahoe. Trolling recommended.

Trout fishing at Lake Tahoe should be about normal when the season opens there April 29, predicts the National Automobile Club.

Odd Fellows Honor Smith at Dinner

Charles E. Smith, who became a member of the IOOF Lodge on December 7, 1895, was awarded a jewel at the 101st anniversary of the founding of the order in the United States at a dinner party given Tuesday evening in Cozzi's Cafe for members of Donner Lodge 162 and their ladies.

Frank Titus, DDGM, made the presentation to Smith and James A. Hislop of Riverside Lodge 282. Hislop joined the order on March 29, 1900.

40-Year Members of Rebekah Honored

Members of Naomi Rebekah Lodge No. 2 met last evening with Noble Grand Ruth Rockholm presiding and found Alice McGee's team still leading in the attendance drive. Lucille Bick and Ruth Campbell were appointed delegates to the assembly in Long Beach May 8 to 14.

The lodge honored five members belonging to the Rebekahs over forty years. These are Hannah Stewart, Lucille Bick, Georgia Follett, Tillie Smith and Eliza Campbell. Refreshments were served by Winifred Kamp and Frances Kamp.

Next meeting will be May 10 with Alice McGee and Alice Mayer chairmen of the evening.

Aero Expert Speaks At Lions Meeting

Don Whittaker, field representative of the state bureau of aviation, gave an interesting talk on his specialty at last night's meeting of the Lions Club in Capitol Hall. Guests were Vince Mistretta and Floyd Calkins of Truckee and Verne Bartell of Tahoe City. B. W. Reynolds presided and Robert Gifford was program chairman.

Dr. Nelson to Attend Medics' Convention

Dr. L. D. Nelson plans to leave tonight for San Diego where he will attend the sessions of the California Medical Association. He plans to return next Thursday. Mrs. Nelson will remain to handle office details during the doctor's absence.

FATHER HURT

Lorrin (Skippy) Ferdinand Jr. received word from his parents' home at Tillamook, Ore., that his father, who had recently gotten out of the hospital after three months illness, was returned there the other day after he had fallen off a roof and injured his back.

Lake Census Taker Had Difficult Route In Isolated District

No doubt every census enumerator in the United States has had some outstanding adventure during the past month, but we doubt if any has had more modes of transportation and contacted as many empty houses as has Noble T. Murray of South Tahoe who was in the local crew under Chief Charles Bannon of Kings Beach.

In covering his territory, Murray was forced to resort to snow shoes, skis, a diesel weasel, car, motor boat, row boat and by foot. He spent as much as a full day to reach vacant houses, traveling from four to six miles over snowbound trails.

In the Echo Lake area, where summer residents form the bulk of the population, he found two people after spending two days making the trip. In his territory he averaged four houses to every person contacted.

DAYLIGHT TIME WILL HIT STATE NEXT MONDAY

A few complications are being straightened out to meet the requirements of daylight saving time which goes into effect throughout state next Monday. All clocks will be set ahead one hour at that time in compliance with the dictates of the electorate at the last election.

The Southern Pacific announced that, as required by federal law, all trains will continue on standard time. For public convenience, however, most of the company's trains operating entirely within the state will have schedules one hour earlier than at present, Fred E. Watson, general passenger agent, said. All Southern Pacific trains operating between California and other states will hold to the present schedules on standard time.

It was also pointed out that all Southern Pacific station clocks will show standard time.

All Pacific Greyhound Lines operating in California will operate on daylight saving time beginning April 30, Glen G. Mugnuson, general traffic manager, said. Schedules will be revised in accordance with the new time, he said.

Nexa Wyethia Meeting Slated Friday, May 5

The next regular meeting of the Wyethia Club will be held in the club edifice Friday evening, May 5. Mesdames David Rose, Barney Phipps, Robert Leamon and Stan Zwarg will be hostesses.

Members, their husbands and friends enjoyed a card party last Friday evening, playing canasta and bridge. Hostesses for the affair were Mrs. Robert Gifford, Mrs. Gaston Hocker and Mrs. G. F. Kamp.

Truckee 20-30 Club Plans Summit Party

Members of the local 20-30 Club and their ladies will hold a dinner party in Donner Summit Lodge Saturday evening, April 29. The affair will begin at 8 p.m. with Earl Smith and John Street composing the program committee. Robert Leamon is president of the organization.

German Death Camp Survivor to Speak Here

The Truckee Rotarians are expecting a most interesting meeting Monday night, May 1, with Dr. William Houwink, an instructor at the University of Nevada, as the speaker of the evening.

Dr. Houwink will relate his experiences as a prisoner of a year and a half in the German Nazi war concentration camp at Buchenwald. He will also tell of serving The Netherlands for two years in underground work in France. President Johnny Ciardella is the program chairman for the evening.

The Truckee Rotary Club was represented at the recent district convention at Sacramento by 10 local members and eight of their wives, headed by President and Mrs. Johnny Ciardella.

Sun Beams

by Walter M. Barrett

With the advent of spring, the high Sierra is again developing its usual festive atmosphere. Resort owners are making repairs and improvements and planning for the reception of the thousands of vacationists and summer residents. Other businesses are expanding in anticipation of the approaching season. Winter, with its storms, has been replaced by sunny, warm weather as nature cooperates to make this region the finest vacation area in the land. Through our continued friendly welcome to our summer neighbors, there is every reason to believe that the area will go on enjoying a healthy, steady growth. Good service, fair prices and an unselfish attitude will bring desired results.

During recent months there have been several campaigns conducted to raise funds for various worthy causes and we may be inclined to resent further demands without giving sufficient consideration to the importance or urgency of the current one to support the American Cancer Society. Before we put our foot down on further donations, let us pause and think. This drive is not one of selfish motive nor designed for individual or organizational gain. It is being conducted for each of us and the benefits will be shared without discrimination. Cancer can be conquered but it will take money. The least we can do is do our share. Your committees at Truckee and Tahoe are working unselfishly. Show them you care by donating generously.

STEDDOM SEEKS BOARD POST IN PLACER COUNTY

TAHOE CITY— Kenneth B. Steddom, for several years an active resident of Tahoe City, this week said he would be a candidate for supervisor from the 4th Placer County District to succeed the late John H. McFadden, who expired last week following a long illness.

The vacancy will be filled permanently at the general election in November, although Governor Earl Warren may make an appointment for the interim period. It is understood there are six potential candidates in the district, which extends over the mountain into Forest Hill.

CANCER CRUSADE SUPPORT IS URGED BY MRS. RAY SCOTT

Although the response to the current campaign to raise funds for the American Cancer Society has been excellent from some quarters, there is still a long way to go if this area is to fill its quota, Mrs. Raymond Scott, Truckee chairman, said this week.

Those who have not been contacted either by personal solicitation or by the number of letters mailed out, are asked to make their contributions at Bank of America, the post office or to a member of the committee.

In making the appeal Mrs. Scott said that in 1949 14,440 Californians died of cancer and it is estimated that 52,000 in the state are now suffering from the disease. One-third of those who died last year could have been saved to live useful lives if they had recognized the danger signals in its early stages and received prompt and proper medical treatment, the chairman said.

This education and treatment is provided for under the program of the American Cancer Society. One quarter of the money collected in California goes for research and during the last five years 13 millions have been spent nationally by the ACS to support research projects and of this $700,000 has been spent in California.

"To continue this important work, money is needed and your contribution is vital to the cause," Mrs. Scott said. "We ask that you make your donation today."

New Donner District Given Approval As Governor Signs Bill

A bill which creates a new Donner Summit Public Utility District in Nevada and Placer Counties was signed Friday by Governor Earl Warren, reports Western News Service.

The measure was proposed by Senator Harold T. Johnson of Roseville. The new district is successor to a district of the same name, which was previously created under the public utilities district act.

The new district will be governed by provisions of the act, except that the limit for indebtedness to 20 per cent of assessed value of real and personal property will not apply.

The new law permits the annexation of non-contiguous territory to the district. It is an urgency measure and goes into immediate effect.

CENSUS TAKER PASS YOU BY? LET THEM KNOW

In event anyone has been missed because of any reason at all by the census enumerators, they are asked to contact Charles P. Bannon Jr., crew leader, at his home in Kings Beach or by telephoning Brockway 258R or Mrs. David Rose in Truckee by telephoning 249R.

Bannon said the crews have made every effort to reach everyone but it may be possible that someone has not been contacted either here or elsewhere.

CUB SCOUT TROOP MAY BE FORMED BY 20-30 CLUB HERE

Parents of boys between the ages of eight and ten who are interested in the formation of a Cub Scout troop here are invited to attend a meeting called by Mrs. Gladys Pedley to be held Wednesday, May 3, at 7:30 p.m. at the Wyethia Clubhouse. Plans for the organization will be made at that time providing sufficient interest is shown.

The Truckee 20-30 Club has agreed to sponsor the troop, Mrs. Pedley reported.

NEW TYPE BUS TO BE SHOWN HERE MONDAY

The Greyhound "Scenicruiser", a sleek, new six-wheel streamlined bus with skylights, will arrive in Truckee on May 1 for a showing of what Greyhound terms "a new travel miracle". The bus will be exhibited at the California Cafe corner from 2 to 2:15 p.m. on Monday.

This announcement was made today by A. B. Polyanich, local Greyhound agent, who said the showing will be a Greyhound "party" with open house, radio broadcasting, and Commander Scott, world traveler and star of Greyhound's radio program, as master of ceremonies.

The Scenicruiser is a new type of bus, seates 43 passengers. The new window arrangement enables passenbers to see sky, tree tops and mountains. The bus has over 90 per cent safety glass above the seat level, a lavatory, drinking fountain, two-way radio, public address system and facilities for playing recorded music.

"Best Friend" Scratches Truckee Man's Eyeball

Elmer Sadocchi, operator of the Tourist Liquor Store, is under treatment for an injured right eye. He was playing with his small dog when the animal accidentally scratched the eyeball. It is believed the mishap will not cause permanent injury.

TAXES DEPOSITED

Miss Elma Hecker, Nevada County tax collector, announced this week that $112,978.16 in county taxes collected just prior to the delinquent date last Thursday has been deposited in Bank of America. The office staff has since been busy processing mail payments.

Sportsmen Here Name Officers For Coming Year

Johnny Ciardella Elected President at Meet On Tuesday

Johnny Ciardella was elected president of the Truckee Outdoor Sportsmen at the reorganization meeting held Tuesday evening at Capitol Hall. He replaces H. H. Hodson, who headed the organization during the past year.

Other officers named include Jerry Lewis, vice president, and Mrs. Hazel Roberts, secretary. The new directors are Fred Morris, John Schuler, John Rablin and Stein Nielsen.

John Ceveri and Louis Cavallo, representing the big game committee of the Washoe Fish and Game Club of Reno asked the cooperation of the local sportsmen in eliminating the slaughter of does in Nevada. Gilbert Berg and Tom Borneman discussed the planting of kokanee in Lake Tahoe and the beaver families in the district.

Refreshments were served at the close of the meeting.

CATHOLIC MISSION IS SLATED HERE FOR NEXT WEEK

An English mission will be preached by Rev. Father C. J. O'Mara, S.J., at the Assumption Catholic Church next week. It will begin at the 9:30 mass on Sunday, April 30, and will continue all week, closing Sunday evening, May 7th.

There will be two masses each day, at 8 and 9 a.m., followed by short talks each evening of the week. There will be Rosary sermon and benediction at 7:30 p.m.

Although this mission is primarily for Catholics to help them review their allegiance, their God and Church, non-Catholics are also welcome to attend, Rev. Father J. Boland, pastor, said.

WSCS Members Travel To Kings Beach Session

The tenth anniversary of the founding of the Woman's Society of Christian Service was observed at a buffet luncheon given in the home of Mrs. J. M. Siple at Kings Beach on Tuesday. A large decorated cake was cut during dessert time and the pleasant session included a business meeting and program. Members of the Truckee organization who attended the affair were Mesdames O. Swenson, Robert Leamon, Robert Gifford, J. Straub, Jack Ellis, Elizabeth McKay, David Anderson, William Englehart Jr., Hannah Stewart, Julia Crease, J. Lyons and M. Samuelson of Los Angeles.

Officials Confer Over New School's Wiring

Truckee Public Utility District directors, trustees of the Tahoe Truckee Unified School District, officials of the Sierra Pacific Power Company and a state school housing engineer met jointly at the elementary school on Tuesday night to discuss wiring requirements for the new high school. Because of the heavy power load required, it was at first believed the utility district might be taxed to supply the demand but Manager C. Edmunds said he believed it can be done without involving trouble.

C. of C. Nominators Report at Meeting

The nominating committee from the Truckee Chamber of Commerce at Thursday's meeting submitted the names of directors for the coming year. The election will be held in May.

The press committee is working on the new Nevada County booklets in which this area will have a substantial part.

Reginald Smart reported on the progress on the new ski jump and W. M. Englehart Jr. told of the activities of the airport committee. Progress was also reported on the signs to be contructed at the approaches to Truckee.

Report Reveals Development Of State Park Here

Last Privately Owned Lot In Donner State Park Is Acquired

In a report to Governor Earl Warren, released this week, the state park commission reviewed work completed, now being done and work planned for the developement of Donner Memorial State Park, two miles west of Truckee.

According to the report, the park now contains 344 acres around the Donner Monument and extending to the east shore of Donner Lake.

Already completed are 25 camp units, 25 picnic units, a combination building, one residence, an office and contact station and a checking kiosk. Under contract and to be completed as soon as the snow clears are two duplex cabins. a four-car garage, a utility building, two comfort stations, a combination building, 30 more camp units and 15 more picnic units.

It is anticipated that before the close of the fiscal year, the commission will have contracted a museum building, a complete water system and power and telephone service. All roads and parking areas will have been completed by the division of highways by that time. Other minor improvements, such as lakeside trails, general landscaping and forest cleanup also will be accomplished.

Meanwhile, the Western News Service of Sacramento reports acquisition of the last lot of privately owned property within the boundaries of the Donner Lake State Park development area was announced by Earl P. Hanson, deputy chief of the division of beaches and parks. The lot was owned by J. Clyde Wilson of Piedmont and will be an addition to the present park.

VINCE MISTRETTA IS NEW OWNER OF TRUCKEE MARKET

Vincent Mistretta, who for the past several months has been managing the Truckee Meat Market, this week announced he has purchased the store from C. T. Bedell of Quincy.

The new owner is a thoroughly experienced merchant, having operated his own stores prior to coming to Truckee. For several years he had a store in Washington and in more recent years has been in the retail and wholesale butchering business at Quincy.

Mistretta says he plans to carry only the best grade of meats and groceries and will maintain fair prices for both retail and wholesale distribution.

Lorrin (Skippy) Ferdinand, who has been associated in the local store since Mistretta took over the management, and Melvin Throop, who operates the North Tahoe high school bus, will continue to be employed at the market here.

Mistretta returned Sunday following a business trip to Seattle.

Grand Deputy Honored By Local OES Chapter

On Tuesday evening, April 18, Grand Deputy Olive L. Dubourdieu of Sierra Star Chapter No. 129, Sierraville, paid her official visit to Truckee Chapter No. 116, Order of Eastern Star. After the meeting a buffet lunch was served to about 75 members. The hall was beautifully decorated with lilacs, scotch broom and bridal wreath. The worthy matron, Mrs. James McIver, presented Mrs. Dubourdieu with a corsage of gardenias and red rose buds. The presentation from the chapter was a bouquet consisting of the Emblematic Star in a bed of maiden hair fern, wherein rested her gift.

Streets Being Made to Site of New Hospital

Road crews are busy this week constructing the streets which will lead into the new Tahoe Forest Hospital in the Gateway Park district.

Charles R. Heller, president of the hospital board, said plans for the hospital are nearing completion and should be ready for approval this week, following which bids for construction will be invited and work started as soon as possible.

Opened House—

Mrs. Matt Green of Sacramento and well known in this area opened her home for a tea Wednesday afternoon, honoring women who worked in the residential division for the Red Cross fund campaign.

FLORISTON

by C. A. FELESINA

Mr. and Mrs. Ray Yurich of San Farncisco were up for several days at their home here. They had as their guests Mrs. Yurich's brother in law and sister, Mr. and Mrs. Fred Sousa and neices, Miss Marie Raspolo and the "Lynn Twins", all of San Francisco. The twins are currently appearing at a Reno club.

Jack Harrington of Pasadena has arrived to take over the sales campaign in Floriston for Preston L. Wright, the owner, who is now located in Los Angeles. Harrington went down to Pasadena last week to bring his wife and daughter here. Wright was a Floriston visitor during last weekend.

Mr. and Mrs. Frank Seymour have returned from Auburn where they attended the wedding of his neice, Miss Rae Pyle. They were accompanied on the trip by his nephew, Howard Pyle, brother of the bride, and Miss Sally Cross, both of Tahoe City.

Mr. and Mrs. A. J. McCurdy of Sacramento stopped in Floriston on their way into Reno to make a few calls and to see their daughter, Pauline.

Recent houseguests at the Lester Felesina home were Mr. and Mrs. Julius Smits of Sparks.

Mr. and Mrs. L. W. McLain and young son have moved into Floriston from southern California to make their home here.

Mrs. S. B. Buckner of San Francisco has opened her home here for the summer and spent the weekend. She will later be up to spend more time.

Mr. and Mrs. Byron Miller spent last weekend in San Jose visiting friends and relatives.

FISH AND GAME AID JOBS OPEN FOR OUTDOOR LOVERS

SACRAMENTO— The state civil service position of Game Conservation Aid affords the man who is interested in wildlife and work in the outdoors a real opportunity.

The position is a good entrance step into the fish and game division of the department of natural resources and the first rung on the ladder for promotional advancement.

As a result of legislation in 1949, there has been greatly expanded activity in the department with the opening of game management areas.

Aids will be assigned to work at game farms, water fowl management areas and game refuges.

Although first appointments will be made to the southern California area, additional appointments are expected to be made throughout the state under the stepped up program.

Opening salary is $210 a month and applications will be accepted until May 13 for the examination scheduled to be held throughout the state on June 3.

Applicants who have completed high school and who have had one year of farming experience may qualify.

Complete information and application blanks may be obtained from State Personnel Board offices at 1015 L Street, Sacramento; 305 State Building Los Angeles, and 107 State Building, San Francisco.

Jay Rablin Learning Communications

Perry Jay Rablin, who graduated from Meadow Lake Union High School last June and enlisted in the Navy December 6, 1949, is now attending the Teleman School at the Naval Training Center in San Diego. SILVER BELT RACE DRAWS SKIERS OF FIVE NATIONS

NORDEN— Skiers from all parts of the United States and four foreign nations participated in the annual Silver Belt Giant Slalom at Sugar Bowl last Sunday. Jannette Burr of Sun Valley won the women's event in 1:33.4 in a field of ten. Guttorm Berge of Norway finished two-tenths of a second ahead of Franz Grabl of Sugar Bowl to win the men's race in 1:14.1. There 29 men entered.

Beside U.S. kiers, Canada, Norway, Argentina and Holland were represented. Representatives of Sun Valley, Idaho, were the most numerous with eight competitors in the meet.

The start of the race was held up for an hour and a half because of a heavy freeze the night before which caused icy conditions on the course. However, it was not unpleasant for the competitors waiting at the start, since there was very little wind blowing at the top of Mt. Lincoln and a cloudless sky let forth the hot rays of the sun. The only accident was one sprained knee.

Truckee Veteran Aided In Home Purchase

SACRAMENTO —(W. N. S.)— A survey just completed by the state department of veterans affairs discloses that one home loan contract is in effect in Truckee, for $5,044 purchase value.

The state is financing 20,152 homes in California for veterans and have invested in these homes more than $120,000,000. The money is obtained from the sale of veterans bonds and is repaid by the veteran on a contract basis with interest at three per cent.

TAHOE TRAVELERS TELL OF TRIPS AT WOMEN'S MEETING

TAHOE CITY— The Tahoe City Women's Club held its last meeting of the winter at the home of Mrs. Gerald Waters of Tahoe City last Thursday. Assisting Mrs. Waters as hostesses were her daughter, Mrs. Ed Brownstone, and Mrs. Roy Stark.

Mrs. Theodore Schlueter presented an interesting account of her recent trip to the Hawaiian Islands. Following Mrs. Schlueter's talk, Mr. Waters showed colored films of Chicago and New York, where the Waters had visited during the winter.

The meeting concluded with refreshments served by the hostesses.

The regular summer meetings of the club will be resumed at a date to be announced later.

GOVERNOR IS TOLD OF WORK DONE IN TAHOE PARKS

The two state parks in the Lake Tahoe area came in for a lot of attention from the state park commission, according to the report to Governor Earl Warren for the fiscal year, released this week.

Bliss Park

At D. L. Bliss State Park, 19 miles south of Tahoe City, one comfort station, 35 camp and picnic units, a complete new water system were completed and all roads and parking areas were completely resurfaced. Work was done on foot trails and it is planned to have a checking kiosk and more power lines installed in teh near future.

A combination building, comfort station and service building were lost through default of the contractor. As soon as these can be re-established in the budget, this park will be considered completely developed for the time being. Areas are available i nthe 957 acres for future development if the demand warrants.

Tahoe Campground

At Tahoe Public Campground, just east of Tahoe City, one comfort station, 10 camp units, one utility building and an inter-communication telephone system, together with a complete renovation of one employee's residence, new waters system and repaving of roads and parking areas were accomplished, rounding out and completely developing this park.

Tahoe Red Cross Drive Sure to Top Quota

TAHOE CITY— The quota for the Red Cross funds drive at Tahoe City will be met, reports Mrs. Phil Geier, chairman. The amount received as of April 23 was $1047.55, which is only $2.45 from the $1050 goal of the drive. The final results of the drive will be made known next week.

To Visit Daughter—

Mrs. Phile Geier will leave Tahoe City Firday for a two weeks visit with her daughter, Mrs. Charles Bailey of Arcadia.

GALA HAT PARTY SET ON FRIDAY AT SCHOOL HOUSE

TAHOE CITY— The PTA of Tahoe Lake School, Tahoe City, will hold their meeting this Friday, April 28, at 12:30 p.m. at the school house. This is a departure from the ususal schedule in both time and date for the monthly meeting.

All members, reminded that it is spring, were asked to wear their own hat creations. Prizes will be awarded for the funniest, prettiest and most original hats. All mothers and their friends were urged to come to the meeting and were reminded to bring box luncheons. Entrance fee is one "white elephant". A "surprise program of your life" is promised all who attend.

Warm Weather Features Past Week at Lake

TAHOE CITY— With even the lowest minimum temperature of the past week reaching down only five degrees below freezing, it shouldn't be long before the anti-freeze in car radiators will be back in storage until next winter. With the higher temperatures were clear days throughout, except for Saturday, April 22, which threatened rain in the morning but cleared up in the afternoon. Lake level Monday morning was 6225.32 feet. The diminished snow pack is reported "not measured—patchy."

Temperature ranges for the period covered were:

Date	Max	Min
April 16	51	27
17	59	29
18	57	29
19	54	28
20	64	30
21	62	30
22	58	30

Work Starts This Week On New Fire Station

TAHOE CITY— The concrete for the foundation of the new Tahoe City fire house will be poured this week. N. R. Mayfield is the contractor in charge of the construction which is expected to be finished on or before June 1.

S.P. DIESEL PROGRAM HITS PHASE TWO, JENNINGS REPORTS

With construction well underway on the initial units of the Southern Pacific's new diesel locomotive servicing facilities at Roseville, the railroad announces that authorization has been given to proceed with the second phase of the project, which will eventually comprise one of the company's two main facilities of this type in the west.

To be completed by year's end are three 215-foot concrete pits for servicing 200-foot locomotives, an elevated platform 220 feet long for similar use, and the lower floor of a store building approximately 80 by 130 feet connecting with the pits and platform, according to Division Superintendent Merle L. Jennings. Already in use are fueling and sanding facilities, and inspection pits.

A total of 28 main line diesels are already based at Roseville, serving the Overland and Shasta Routes, Jennings said, and more are coming. By year's end, the Southern Pacific will be one of the few railroads in the nation with more than one million diesel horsepower in service, it was stated.

New Ford Pickup—

Wittich Motors of Colfax, Ford distributors, last week reported the sale of a pickup to Herman C. Tiedemann of Homewood, Lake Tahoe.

Feather-bedding scheme of Firemen's Union to put an additional fireman on diesel locomotives has been

CONSIDERED TWICE!

Fact Finding Boards appointed by Presidents Roosevelt and Truman have said these demands were "devoid of merit" and they were

REJECTED TWICE!

Now the Firemen's leaders seek to paralyze railroad transportation to compel the railroads to employ a wholly unnecessary additional fireman to ride on diesel locomotives. This scheme is plain

FEATHER-BEDDING!

LEADERS OF the Firemen's union have called a nationwide strike starting with four great railroads on April 26. These railroads are the New York Central, Pennsylvania, Santa Fe, and Southern.

The union claim that a second fireman is needed on grounds of safety is sheer hypocrisy. Safety has been dragged into this dispute only in an unsuccessful effort to give a cloak of respectability to vicious feather-bedding demands.

After a careful study of the first demands of this union, a Presidential Fact Finding Board on May 21, 1943, reported to President Roosevelt that there was no need for an extra fireman on diesel locomotives.

Again, on September 19, 1949, after a second hearing on the union leaders' demands, a second Board reported to President Truman that: "there presently exists no need for an additional fireman . . . upon either the ground of safety or that of efficiency and economy of operation."

Safety Record of Diesels is Outstandingly Good

Although the railroads accepted the Board findings, the union leaders have brazenly rejected them. They represent that an extra fireman is needed for "safety" reasons. Here's what the Board had to say on that point:

"The safety and on-time performance of diesel electric locomotives operated under current rules have been notably good . . .

"Upon careful analysis of the data submitted on safety, we have concluded that no valid reasons have been shown as a support for the Brotherhood proposal under which a fireman would be required to be at all times continuously in the cab of road diesels. The proposal must be rejected."

The *real* reason behind these demands is that the union leaders are trying to make jobs where there is no work. In other words, a plain case of "feather-bedding."

The railroads have no intention of yielding to these wasteful make-work demands.

"The Safety Record of Diesels is Outstandingly Good . . ."

PRESIDENTIAL FACT FINDING BOARD REPORT

Read these excerpts from official reports of Presidential Fact Finding Boards:

"The safety record of Diesels is outstandingly good, and it follows that the safety rules now applicable have produced good results."

"The safety and on-time performance of Diesel-electric locomotives operated under current rules indicate that Diesel-electric operation has been safer than steam locomotive operation . . ."

Remember! These are not statements of the railroads. They are just a few of the many similar conclusions reached by President Truman's Fact Finding Board which spent months investigating the claims of the union leaders.

PUBLIC SCHOOLS WEEK

—by Ernest Towler Jr. and Ray Dixon

From April 24 to 28 we observe Public Schools Week. The Truckee Elementary School is having open house to those who would like to see what work the children have done. The bulletin board has many pictures the children have painted. On Thursday the pupils and teachers are having a day in which the parents are invited to come and see what the children have done. The parents may plan to have lunch in the school cafeteria and tea will be served at 2:30 p.m.

AIRCRAFT PROJECT

—by Margie Obsurn

The 5th and 6th grades are making an airport in the middle of the floor in their room. The length of the airport runways are going to be 18, 14 and 16 feet. The width is going to be 7½ inches.

Mr. John Brinegar is going to visit the 5th and 6th grades to talk about airplanes. He is from the state department of education in Sacramento.

STUDY PACIFIC

—by Sharon Pace

In reading, the 3rd and 4th grades are studying about Australia and Hawaii. They are to make a chart or a poster about the types of animals, fruits, sports and population. In art, they have been making copper horses. Some of these are going to be displayed on the bulletin board during Public Schools Week.

YOUNG POETS

—by David Germain

The first graders are making up poems about nature.....Judith Giovannoni went to the circus in Sacramento over the weekend..... Kenneth Wilson went to Hoover Dam over the weekend and while there, went down in an elevator into the dam.....The fisrt grade made some pictures of houses, horses and a torest for bulletin board display.

FOOD SALE

—by Marilyn Shafer

Last Thursday the Truckee Elementary School had a food sale at the Truckee Mercantile. They made $25.95. The children's mothers helped provide the food along with the PTA. The girls who worked in the morning were Alberta Cooper and Lois Grey. In the afternoon Louie Ramirez and Alfred McGee worked. They sold cakes, pies, cookies, salad, spaghetti and candy. We wish to thank the PTA for their contribution to the food sale.

KNOW YOUR NEIGHBOR

—by Lois Grey

Your neighbor this week is a newcomer to Truckee, Lysbeth Louise Love. She was born on August 13, 1936 at Wnyona, Oklahoma. She is 4 feet 11 inches tall, has blue eyes and blonde hair. She is in the 8th grade and plans to graduate this year. Louise has no special hobby. She likes popular music and all sports but enjoys horseback riding the best. She wants to become a nurse after she finishes her education.

SPRING SONG

The children in the 2nd and 3rd grades have written a little poem. It was written by the whole class with a little help from Mrs. Borneman. It is called "Spring" and goes,

We like to play in the Spring,
For the joy and happiness flowers bring,
For gladness and muic the little birds sing,
And many a lad with a kite by a string
And many a lass with a hop and a swing.

The children also made report card covers and pictures to be displayed during Public Schools Week.

PERSONAL NOTES

Girls working in the cafeteria this week are Ruth Osburn, Marie Osburn and Alberta Cooper.

Lysbeth Louise Love from Oklahoma is a new pupil in Mr. Welch's room. Jerry Welgeson and Bill Schrson are new pupils in Mrs. Gage's room.

Marilyn Shafer and Irene Goicoa went to Sacramento recently.

Billy McClian went to Reno over the weekend. Theo Scott went to Sacramento last weekend.

Patsy Smisek was in Grass Valley Sunday. Timmie Kelly went to Petaluma and Mary Ann Tonini went to Lake Tahoe Sunday.

NELSON L. SALTER, TAHOE PIONEER, PASSES AT FRESNO

Private funeral services were held at Fresno, Tuesday, April 25 for Nelson L. Salter, 75, founder of the Emerald Bay Resort at Lake Tahoe and postmaster of the district for more than 33 years, who died here last weekend.

Salter, born near Merced, founded the Lake Tahoe resort in 1914 and the same year became postmaster. He spent the summers at the resort and winters in Fresno until three years ago, when he retired, making Fresno his home.

Registrations in Placer Hit New High Mark

AUBURN— County Clerk Lillian Rechenmacher says 19,475 residents of Placer County will be eligible to vote in the June 6 primary. The highest previous registration was 18,605 in 1948.

The registration is being checked this week by representatives of the political parties.

North Tahoe

by T. BURROUGHS

North Tahoe PTA held its election of officers at the Thursday, April 20, meeting. Officers were installed by Mrs. A. E. Abbott as follows: John Keys, president; Peggie Mandeville, vice president; Jean Little, secretary; Clarice Astle, treasurer; Meryle Rutledge, recording secretary. Mrs. Abbott was elected as parliamentarian. Principal Charles Chubb spoke before the group asking that each person keep his dog away from the school house. They certainly are a nuisance or any public gathering place, reasoned Chubb, who, realizing that a man's best friend is his dog, perhaps, still believes that the best place for that dog is at home. Various committee hairmen will be appointed at the next meeting. Refreshments of coffee, doughnuts and chocolate were served.

WSCS celebrated its 10th birthdate April 25 at the home of Mrs. Dee Siple with an all day meeting and election of officers. These included Mrs. Dovie Dickow, president; Mrs. Vera Mosier, vice president and secretary of spiritual life; Meryle Rutledge, recording secretary; Pauline Noel, promotional secretary; Mary Abbott, secretary of social relations; Clara Van Hooser, secretary of literature and supplies; Winifred Rapier, secretary of youth and student work; Mrs. Glunt, secretary of visits and calls; Mrs. P. R. Murray, secretary of missions. A pot luck dinner was enjoyed at noon. There were 12 members from Truckee in attendance.

A letter from the Murrays of Tahoe Estates reveals that they plan to arrive at home on Wednesday of next week.

There was a show at Brockway on Tuesday night, April 25, especially for eight-year-old Dorothy Mercer. Admissions and monies still outstanding came to about $100. Dorothy is reported resting well and expects to be back to normal by the time school is out.

There will be a dance, given by Tom and Thresa Sutton, at the Buckhorn Inn on Saturday night, May 6. All proceeds are to go to Dorothy Mercer and her mother. Everybody turn out, have a good time and know that the scales balance—always.

That fire at Walt Bailey's Tahoe Vista Garage last Sunday is another reminder of how badly we need fire fighting equipment in this section. A mechanic was busy welding on a fender when flames spread rapidly beneath the car and were quickly out of control. Within ten minutes, a goodly number of residents were on hand to help bring those roaring flames to a halt! Damage is estimated at around $1000.

Bud O'Donnell was up over last weekend to visit his mother, Peg Nelson, and a few friends. Bud, you will remember, was one of the star players on the North Tahoe Softball team last year. He has been confined for several months in the veterans hospital at San Francisco and came up on a short pass, returning to the hospital on Monday where he will remain for some time. Glad you're able to be out, even for a day or two, Bud.

What's this I hear about little David Decker getting hit by a passing car and going happily on his way after rolling over a couple of times? Better watch your step, David. You may not be so lucky next time.

North Tahoe Community and Sports Inc., met on Tuesday night, April 25, with a number of visitors from the Tahoe City and Lake Forest Clubs.

A Low 12 dinner was enjoyed by many members at The Gables, owned and operated by Don and Grace Bowman, last Thursday evening.

A couple of foundations are ready for additional cottages at the Ray Fellows' Carnelan Bay Resort.

The new Ludlow Building at Tahoe Vista is progressing satisfactorily.

Santa Fe, New Mexico, is the oldest seat of government in the nation.

****First four hours after eight hours of work Monday through Friday and eight hours on Saturday shall be paid for at the rate of time and one-half. All additional overtime worked on any said day by any employee shall be paid for at the rate of double time. Sundays and Holidays, double time.

Each bid must conform to the requirements of the plans and specifications and all other documents comprising the contract documents. The contract documents may be examined and copies obtained at the office of the Architect, Gordon Stafford, 1024½ Jay Street, Sacramento, California, upon deposit of $50.00 per set, which deposit will be refunded on return of such copies within 10 days after the bids are opened.

No bid will be considered unless it is made on a form provided by the Architect and accompanied by certified check, cashier's check or bidder's bond for 10% of the amount of the bid, made payable to the Owner. The above mentioned checks or bid bond bond shall be given as a guarantee that the bidder shall execute the contract if it be awarded to him in conformity with the contract documents and shall provide the surety bond or bonds required within 5 days after notification of the award of the contract to the bidders.

The successful bidder will be required to furnish a labor and material bond in an amount equal to fifty percent (50%) of the contract price, and a faithful performance bond in an amount equal to one hundred percent (100%) of the contract price. Said bonds shall be secured from a Surety Company satisfactory to the Owner.

The Owner reserves the right to reject any and all bids and-or waive any irregularities or informalities in the bidding.

Dated this 26th day of April, 1950. WILLIAM RUTHERFORD
Clerk of the Governing Board of the Tahoe-Truckee Joint Unified School District, Counties of Placer & Nevada, California. a27m4,11

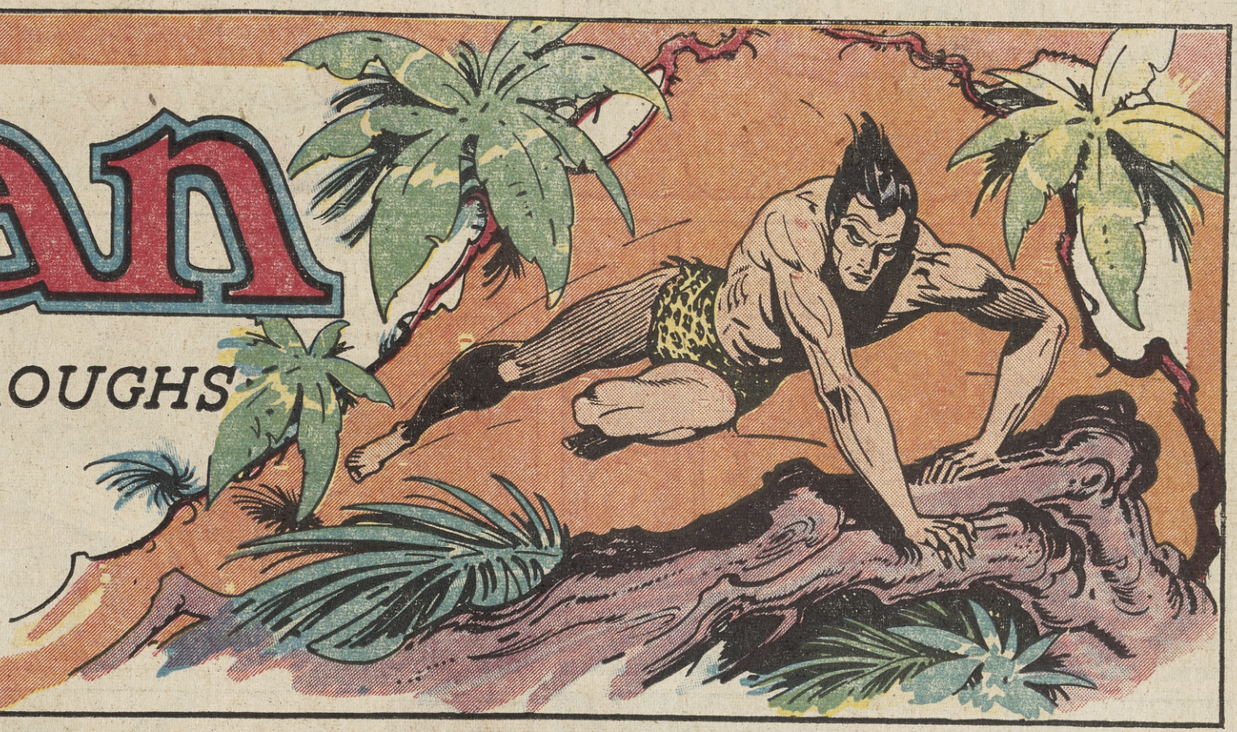
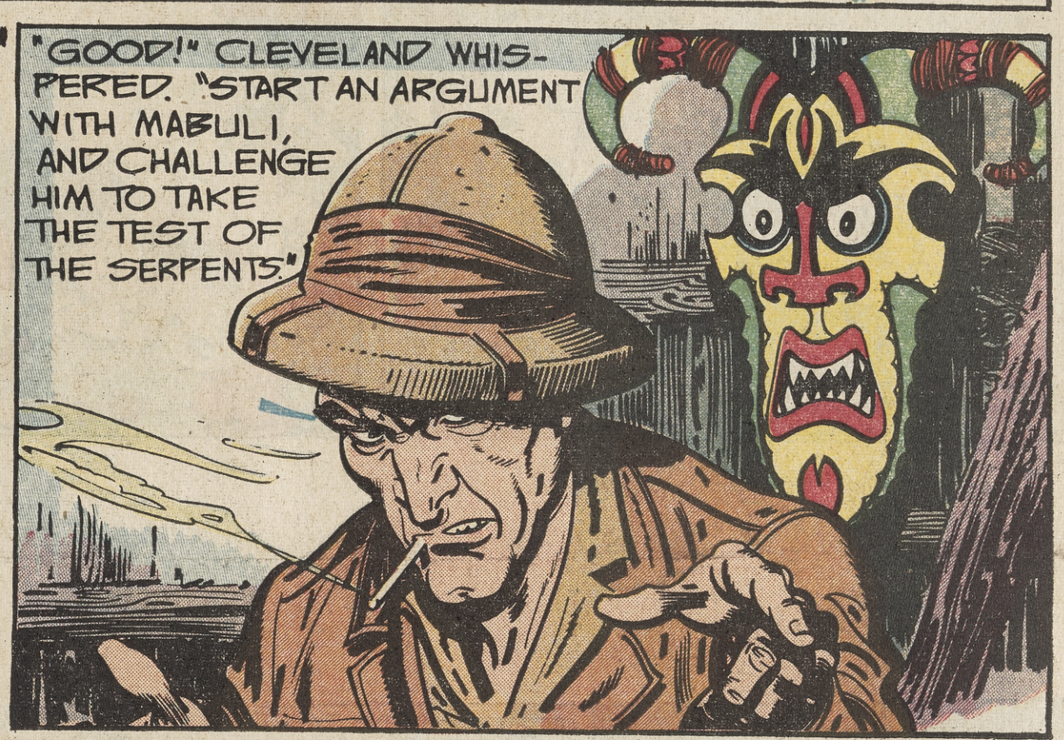
Tarzan

by EDGAR RICE BURROUGHS

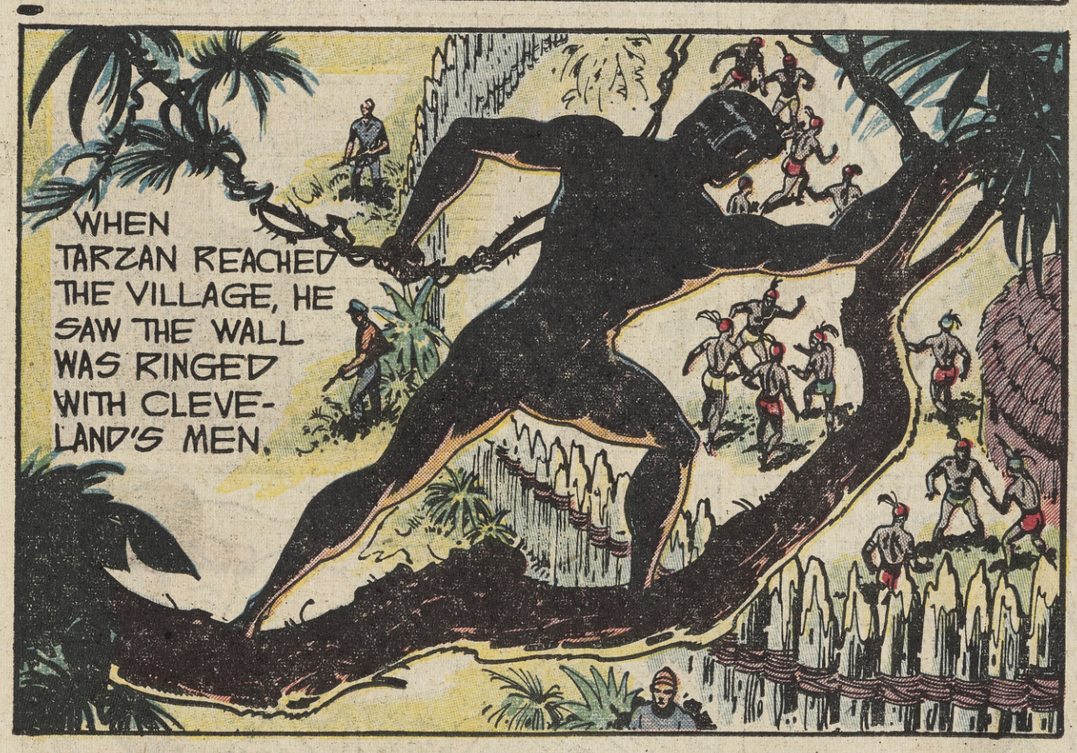


HOPING TO TURN THE NATIVES AGAINST CHAKA AND HIS CO-CONSPIRATORS, TARZAN HEADED BACK TOWARD THE VILLAGE OF THE DAGOMBAS.

MEANWHILE, THE PLOTTERS GATHERED TO PLAN MABULI'S DEATH. "ARE THE SACRED SNAKES POISONOUS?" "THEY ARE DEADLY!" CHAKA SAID.



"GOOD!" CLEVELAND WHISPERED. "START AN ARGUMENT WITH MABULI, AND CHALLENGE HIM TO TAKE THE TEST OF THE SERPENTS."



WHEN TARZAN REACHED THE VILLAGE, HE SAW THE WALL WAS RINGED WITH CLEVELAND'S MEN.

"CHAKA LIES!" MABULI THUNDERED. "CATCH TARZAN AND SACRIFICE *HIM!* BUT NO DAGOMBA WILL REPLACE HIM!"

"MABULI SAYS I LIE," CHAKA SCREAMED. "LET THE SERPENT GOD DECIDE!"

"LET MABULI TAKE THE TEST!"
